For ideal mailing purposes, use thicker cardstock and print pages 1 and 2 as a double sided print to make two postcards. Don't forget to sign every postcard you send out with your own name!

Dear Ms. Walden,

Marvel's Daredevil was cancelled after a critically-acclaimed third season. Like so many other fans, I would love to see Daredevil's story continue with the same cast, crew, and showrunner, and am writing to ask that you please consider making that happen! Fans aren't interested in a reboot; we want to see more of Charlie Cox, Vincent D'Onofrio, and all the members of this talented cast! There's more of THIS Daredevil story to be told, and a passionate fanbase ready to watch it unfold on the Hulu platform! **Please help us #SaveDaredevil!**

Sincerely,

**PLEASE DELIVER TO:**
